Adoption of green technologies

1249. SHRIMATI SHOBHNA BHARTIA:
SHRIMATI SUPRIYA SULE:

Will the PRIME MINISTER be pleased to state:

(a) whether Government took its first steps towards aligning India with the goal of sustainable development which would include adoption of green technologies to meet the challenge of climate change by acknowledging that global warming had serious India-specific implication;

(b) whether Government agreed that India needed to chart out a roadmap for itself in the light of the report of the Inter-Government Panel on Climate Change which made it evident that effects of global warming had already arrived; and

(c) if so, what are the concrete measures and the steps Government are considering in this regard?
